

ALERT—UnitedHealthCare Membership Cards

In March of this year, UnitedHealthcare shared with the SCEET Board of Trustees the details of their “Rebranding” campaign. They reported that redesigned membership cards will be sent out to all members and assured that it would be a seamless process.

However, we have recently received numerous calls regarding erroneous information on these new membership cards. We highly recommend that the member continues to utilize their current card rather than the newly redesigned cards.

Please pass along this information to your district employees that may be affected.
